For Such ...a time as This!

*The 2017 Summer Caring for Left Behind
Children in China Short Term Mission Trip
is accepting applications now!*

中國近年因勞動力的遷移，出現了數千年來未見過的社會現象，數以千萬計的兒童變成「有父母的孤兒」，我們稱他們為「留守兒童」。

In recent years, due to migrations of the workforce in Mainland China, a new social phenomenon has surfaced – one that was never seen in Chinese history – Tens of millions of children have become “orphans with parents”. They are the “Left-behind Children”.

二零一七夏季關愛留守兒童短宣隊現已開始報名！

This will be our second summer trip to care for Left behind children in China. It will be during the week from 07/01 -07/8 in China cooperatively partnering with local volunteers to host summer camps for needy Children. It will be an experience of getting to build relationships, sharing, fellowship, learning through fun and energized activities. We are there to share our love of Christ with these children and the impact on ourselves and the children will be memorable and eternal. Please pray for the trip, the preparation of the team, the arrangement by the volunteers in China and most important of all, our spiritual readiness and physical strength of all those involved in this ministry!
